Title :	Organic Act of the National Museum of Prehistory 
Date :	2011.06.29
Legislative :	Promulgated on June 29, 2011
Content :	Article 1 To interpret the prehistory of Taiwan and to engage in archaeological, indigenous and Austronesian studies, collection, exhibitions and educational promotions of Taiwan and the surrounding regions, the Ministry of Culture has specially established the National Museum of Prehistory (referred to as “the Museum” hereinafter). Article 2 The Museum shall be in charge of the following matters: 1. Studies, collections, the preservation of historic sites, and the promotion of academic exchange and cooperation related to prehistoric cultures, indigenous peoples, and the Austronesians in Taiwan and the surrounding region. 2. Exhibitions, educational promotions, and publications related to prehistoric cultures, indigenous people, and the Austronesians in Taiwan and the surrounding regions. 3. The planning of museum affairs, the construction and operation of the museum, the construction and maintenance of public facilities, and the overall coordination and management of landscape planning. 4. The supervision of contracted operations, public services, the recruitment and training of volunteers, ticket management, and the planning and implementation of social education and cultural and artistic events. 5. Other matters pertaining to the prehistory of Taiwan. Article 3 The Museum shall have a director of the Senior Grade 12 rank who can be appointed with the same qualifications as for college and university presidents or professors when necessary and a deputy director of the Senior Grade 11 rank who can be appointed with the same qualifications as for associate professors when necessary. Article 4 Ranks, grades, and numbers of personnel for the various positions of the Museum shall be stipulated otherwise in an organization chart. Article 5 The implementation date of this Act shall be determined by the order of the Executive Yuan.
